MSR-ACADEMY Basic 2022

Webinar on 17 February

Dear Sir or Madam,

we are offering our English speaking customers another free [MSR-ACADEMY BASIC TRAINING](#) as a webinar in February 2022

TARGET GROUP

The webinar is especially addressed to support our new customers and new employees of our existing customers. The focus is on gaining basic knowledge of gas detection technology as well as insights into the company MSR-Electronic and basics of MSR-Products.

WHEN

Thursday, 17 February from 07.00 a.m. - 10.00 a.m. (CET).

Please take into account the time difference in your country.

WEBINAR

The BASIC training including practice takes place online. During the presentation you have the possibility to ask questions via the chat function, which will be answered by our specialists.

PREREQUISITE

Please refer for the prerequisites to the 2nd page of the webinar invitation.

REGISTRATION

Please register bindingly via the button [>>Registration Webinar<<](#) by the 8th of February 2022. After registration you will receive a personal link for your participation in the webinar.

The cost-free webinar is exclusively addressed to our customers and a prerequisite for participation in the [MSR-Advanced Training](#) in spring 2022.

We are looking forward to your interest and to a lively exchange.

Friendly greetings

Your team from MSR-Electronic
