

Gas Detection.

MSR-ACADEMY

Advanced Training from 20 - 21 June 2023

Prerequisite for registration is a current certificate from the BASIC Webinar.

MSR-ACADEMY Advanced 2023

Training from 20 - 21 June 2023.

Dear Ladies and Gentlemen,

we are pleased to offer you the following ADVANCED training in June. You will receive important information on the latest products, approvals and other technical highlights. In addition, the latest in gas detection technology as well as detailed product knowledge of the MSR product family will be conveyed. Another essential component are the practical exercises of complex application examples. With this training you will receive our free Premium Support Code for 18 months.

LOCATION: HASLINGER HOF IN KIRCHHAM, NEAR POCKING AND PASSAU (Germany)

The training as well as the evening event on June 20 will take place at the Bavarian Resort Haslinger Hof, Ed 1, 94148 Kirchham. You also have the option to stay overnight. A room contingent has been set up for participants of the MSR training. Please book your overnight stay by Monday, February 27 at the latest under the keyword „MSR Academy“.

REGISTRATION

Please register by 27 February 2023. The number of participants is limited. Training costs 210 € per person.

REQUIREMENTS

- A BASIC certificate is a prerequisite for participation in ADVANCED training
- Own laptop
- At least Windows version 8
- Calibration and configuration software PCE06 or the service tool STL06 with latest version (if not yet available, please order separately in the registration form)

Kind regards

Benedikt Winkler
Head of Sales
